# THE LARGEST MINING SHOW ON AND UNDER EARTH

## EVERYTHING YOU NEED TO LOWER YOUR COSTS

See new state-of-the-art technology for today's challenging times and that can take your operations into the future. From automated systems, energy efficient equipment, parts and components that reduce maintenance...it's all at MINExpo.

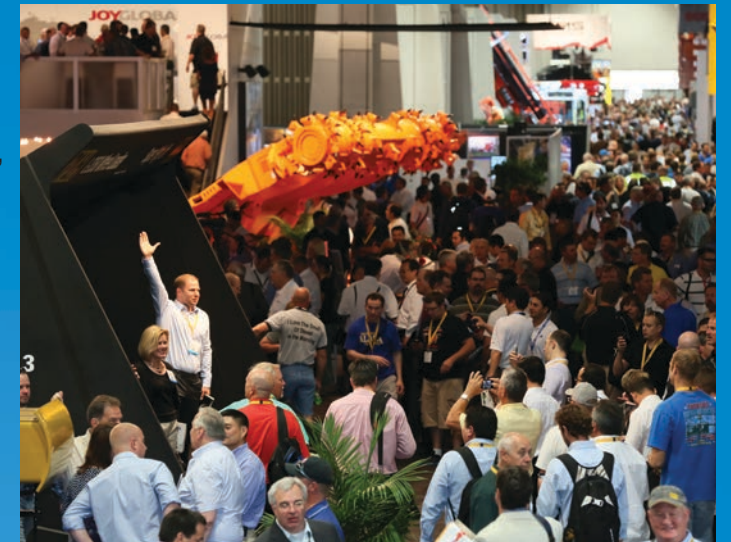

## DISCOVER NEW TRENDS

Talk face-to-face with industry experts on the show floor and during two mornings of education sessions to learn about best practices for safer, more efficient and sustainable mining.

## FIND THE RIGHT EQUIPMENT AND SERVICES FOR YOUR MINES

View material handling equipment, auxiliary equipment and supplies, drilling equipment, safety equipment as well as engineering, construction, consulting and mining-related services and more.

## BUILD YOUR NETWORK

Meet mining's leaders and colleagues from around the globe to share solutions to the challenges faced by today's mining industry.
